

Pallet scales EEP

ISO 9001:2008

Model: EEP xx NL

Technical Specifications:

Model:	EEP xx NL
Maximal Load:	2000kg
Platform:	Four load cells Carbon steel construction
Display:	Big LCD display with white backlight
Keyboard:	6 mechanical keys
Functions:	Tare, Zero Power saving backlight
Interface:	RS232
Communication protocols:	Different protocols available, Connectivity with PC
Power supply:	Adaptor AC 12V/500mA Battery 6V/4Ah
Battery life:	up to 150 hours
Working temperature:	-10C to 40C
Humidity:	15% to 85% RH

Model	Max load, kg	Division e,g	Platform size /mm/
EEP 600/2000	2000	500/1000	1230x870x70

Options:

- Platform from 100% Stainless Steel
- Indicator Stand
